

# TAKING YOUR VÉLIB' TO A FULL DOCKING POINT

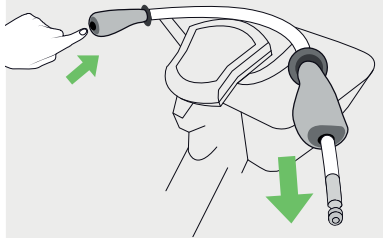

NO DOCKING STATIONS ARE FREE SO USE THE PARK+ SYSTEM  
(TO USE THE PARK+ SYSTEM, YOU NEED TO BE A V-PLUS OR  
V-MAX E-SUBSCRIBER)

**1**

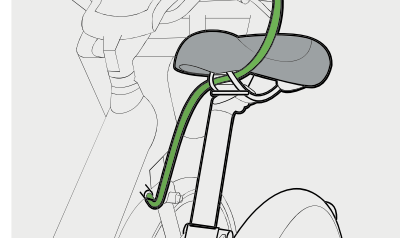

Slot your Vélib' in facing the opposite direction between two Vélib' parked in docking stations

**2**

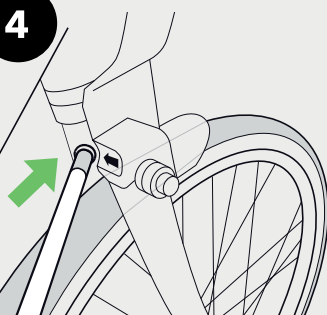

Press the end of the left handle on your Vélib': pull the anti-theft cable out of the end of the right handle

**3**

Pass the cable through the saddle of the Vélib' to your right

**4**

Insert the end of the cable into the hole above the front wheel of your Vélib'

**5**

Press the «V» key on the V-Box keypad

**6**

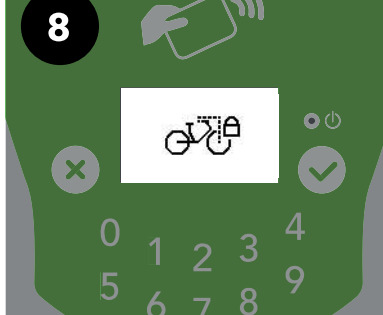

Press 2 to reattach your bicycle using Park+

**7**

Press the «V» key to confirm the Vélib' as parked using Park+

**8**

The cable is locked.

**9**

The «Go» symbol shows that your Vélib' has been returned correctly
