CUSTOMER SERVICE: 01 76 49 1234 (COST OF A LOCAL CALL)
RETURNING YOUR VÉLIB’ TO A DOCKING POINT
AT A FREE DOCKING STATION AT THE DOCKING POINT

1. Choose a free docking station
2. Insert your Vélib’ into the docking station
3. Your journey summary then appears
4. If a padlock symbol appears, this means your Vélib’ has not been inserted correctly
   The «Stop» symbol appears if your Vélib’ is inserted correctly

CUSTOMER SERVICE : 01 76 49 1234 (COST OF A LOCAL CALL)
TAKING YOUR VÉLIB’ TO A FULL DOCKING POINT

NO DOCKING STATIONS ARE FREE SO USE THE PARK+ SYSTEM
(TO USE THE PARK+ SYSTEM, YOU NEED TO BE A V-PLUS OR V-MAX E-SUBSCRIBER)

1. Slot your Vélib’ in facing the opposite direction between two Vélib’ parked in docking stations
2. Press the end of the left handle on your Vélib’: pull the anti-theft cable out of the end of the right handle
3. Pass the cable through the saddle of the Vélib’ to your right
4. Insert the end of the cable into the hole above the front wheel of your Vélib’
5. Press the «V» key on the V-Box keypad
6. Press 2 to reattach your bicycle using Park+
7. Press the «V» key to confirm the Vélib’ as parked using Park+
8. The cable is locked.
9. The «Go» symbol shows that your Vélib’ has been returned correctly

CUSTOMER SERVICE : 01 76 49 1234 (COST OF A LOCAL CALL)
Press the «V» key on the V-Box keypad

The battery symbol appears. Check the battery levels

Please note: if the symbol of an empty battery appears, the Vélib’ is unavailable

Pick up an electric Vélib’ using either your card or access codes

When stopped, I can change my power assistance level by pressing 1, 2 or 3.

Enjoy riding your electric Vélib’.

CUSTOMER SERVICE: 01 76 49 1234 (COST OF A LOCAL CALL)
